

South Shore Retired Educators Award

This bursary is offered by the **South Shore Retired Educators Association** and is for graduating students of Champlain College Saint-Lambert who have been accepted to study in the field of Education @ University.

We ask that you please write a one-page essay, single-spaced explaining to us why you want to pursue an Education degree and be a teacher.

Feel free to tell us about your extracurricular activities and your academic strength in high school and College. You may also include any awards or certificates you have received that would be associated with your pursuit of a degree in Education.

And finally, tell us when did you realize you wanted to be a teacher and how you feel you can make a difference.

All documents for this specific award must be sent by **mio** to **Student Services** as well as a proof of University Acceptance in Education.

The deadline to apply is May 15th.

Good luck!
